Subject: 2nd Extension of bid submission date from 6th June 2022 to 10th June 2022.

Dear Sir/Madam,

Reference to our RFP BCCB/HO-IT/IT_EQP/RFP02 dated 8th May 2022, had bid submission date extended to 6th June 2022. Due to challenges faced by vendors in terms of getting OEM prices and technical queries several vendors have again requested for 2nd extension.

This request has been accepted by our management and thus approved the 2nd extension of technical and commercial bid submission to 10th June 2022.
